NOTHING BUT THE BEST

Flamingo®

CAR CARE
PRODUCT CATALOG

2026

ABOUT US

Flamingo is a renowned car care brand with origins in the United States. It first gained prominence in North America and has since become a globally popular brand. With decades of dedicated development and accumulation, Flamingo has built profound expertise in car care products and now possesses world-leading R&D capabilities and modern manufacturing strength.

To better serve consumers worldwide, Flamingo has relocated its global sales center to China and established a large, modern R&D laboratory and manufacturing base here. The new base is located in YunFu, GuangDong, benefiting from a beautiful environment and convenient transportation. It covers an area of nearly 40,000 square meters, with a total investment exceeding USD 25 million. The facility is equipped with advanced production machinery imported from the United States, Germany, and Switzerland. It currently operates 14 fully automatic high-speed aerosol production lines, 5 fully automatic liquid filling lines, 3 fully automatic paste filling lines, and 2 emulsified wax production lines, with a daily production capacity surpassing 500,000 cans—ranking among the industry leaders in both scale and efficiency. The base has obtained Chinese production qualifications for aerosol products and has been certified under the ISO9001 Quality Management System and ISO14001 Environmental Management System, while also complying with the ISO45001 Occupational Health and Safety Management System standards.

With its core team from the U.S., Flamingo has also recruited and trained an experienced team in China specializing in R&D, planning, sales, and service. Supported by leading technical strength, excellent management, and robust production capabilities, Flamingo car care products have earned the trust and preference of consumers worldwide. The products are now sold in 126 countries, and exclusive distribution agreements have been signed with partners in 92 countries. In addition, we maintain long-term friendly cooperation with several internationally renowned companies, providing professional and comprehensive OEM and ODM services, continuously creating value for global customers.

COMPANY PRINCIPLE

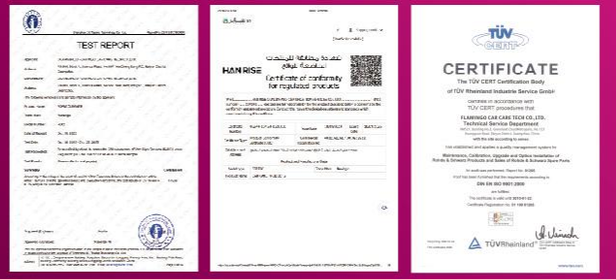

Innovation, Professionalism, Reliability.
To create value through excellence.

Product Code:F045

Diesel Fuel System Dredge
250MLX24PCS/6.03KGS/0.017CBM
Product Code:F046

Octane Booster
250MLX24PCS/6.03KGS/0.017CBM
Product Code:F047

Fuel Injector Cleaner
354MLX24PCS/8.52KGS/0.024CBM
Product Code:F053

Diesel Fuel System Dredge
354MLX24PCS/8.52KGS/0.024CBM
Product Code:F054

Octane Booster
354MLX24PCS/8.52KGS/0.024CBM
Product Code:F055

Injector Cleaner
300MLX24PCS/7.78KGS/0.02CBM
Product Code:F144

Octane Booster
300MLX24PCS/7.78KGS/0.02CBM
Product Code:F145

Catalytic System Cleaner
300MLX24PCS/7.78KGS/0.02CBM
Product Code:F163

Motor Flush

443MLX24PCS/8.83KGS/0.019CBM
Product Code:F048

Super Oil Treatment

443MLX24PCS/8.83KGS/0.019CBM
Product Code:F049

Fuel System Cleaner

473MLX12PCS/5.45KGS/0.013CBM
Product Code:F132

Smoke Stop

354MLX24PCS/8.52KGS/0.024CBM
Product Code:F095

Power Steering Fluid

350MLX24PCS/8.28KGS/0.025CBM
473MLX24PCS/11.20KGS/0.024CBM
Product Code:F179/F071

Power Steering Fluid

1LX12PCS/11.25KGS/0.024CBM
Product Code:F184

Brake Fluid DOT3

250MLX24PCS/7.58KGS/0.012CBM
Product Code:F173

Brake Fluid DOT4

250MLX24PCS/7.58KGS/0.012CBM
Product Code:F174

Brake Fluid DOT3

350MLX24PCS/8.28KGS/0.025CBM
Product Code:F178

Brake Fluid DOT4

350MLX24PCS/8.28KGS/0.025CBM
Product Code:F195

Brake Fluid DOT3

500MLX24PCS/13.86KGS/0.022CBM
Product Code:F196

Synthetic Brake Fluid DOT4

500MLX24PCS/13.86KGS/0.022CBM
Product Code:F274

DE-RUST LUBRICANT

De-Rust Lubricant

450ML*24PCS/8.98KGS/0.022CBM
Product Code:F007

White Lithium Grease

450ML*24PCS/9.05KGS/0.024CBM
Product Code:F109

Chain Clean

220ML*24PCS/5.65KGS/0.014CBM
Product Code:F110

Chain Lube

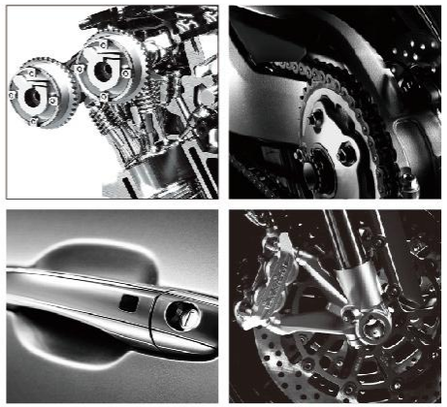

220ML*24PCS/5.65KGS/0.014CBM
Product Code:F108

Rust Remover

500MLX12PCS/7.10KGS/0.016CBM
Product Code:F313

MOTORCYCLE CARE

Ultra Shine 11
250MLX24PCS/6.20KGS/0.016CBM
Product Code:F116L

Ultra Shine 11
450MLX24PCS/9.05KGS/0.024CBM
Product Code:F133L

Motor Extra Ester Synthetic Lube
100MLX96PCS/11.52KGS/0.032CBM
Product Code:F168

Helmet Disinfecting Foam
450MLX24PCS/11.12KGS/0.024CBM
Product Code:F094

Helmet Disinfecting Foam
450MLX24PCS/11.12KGS/0.024CBM
Product Code:F094B

Octane Booster
100MLX24PCS/8.52KGS/0.024CBM
Product Code:F124

Chain Clean
220ML*24PCS/5.65KGS/0.014CBM
Product Code:F110

Chain Lube
220ML*24PCS/5.65KGS/0.014CBM
Product Code:F108

Octane Booster
60MLX144PCS/10.78KGS/0.0322CBM
Product Code:F055S

COOLING SYSTEM CARE

Radiator Flush
354MLX24PCS/9.85KGS/0.019CBM
Product Code:F037

Radiator Rust Preventive
354MLX24PCS/9.85KGS/0.019CBM
Product Code:F038

Radiator Leak Stopper
354MLX24PCS/9.85KGS/0.019CBM
Product Code:F039

Radiator Coolant
1LX12PCS/13.70KGS/0.023CBM
Product Code:F340G

Radiator Coolant

NANO CERAMIC COATING

Nano Ceramic Coating Kit

(30ML+50MLx2)*12PCS/7.95KGS/0.068CBM
Product Code:F101S

APPLICATING CAPACITY:
Bottle A : Degreasing Agent Bottle B : Nano Ceramic Coating
Bottle C: Polishing Protectant

USAGES:
1.Wash: Thoroughly wash the car with F030 Car Shampoo to remove all contaminants from the paint surface. 2.Polish & Prep (Critical for Gloss): Using a polishing machine, apply F050 Rubbing Compound, F051 Polishing Glaze, or F052 Premium Coating Film (product selection depends on paint condition; use F052 for new cars only). After polishing, wash and dry the car completely. This step is essential to achieve a perfectly glossy base. 3.Degrease: Spray Degreasing Agent (Bottle A) onto the paint to remove any remaining grease. Rinse with clean water and dry using an air blower. 4.Inspect: Visually inspect the entire surface. Ensure it is completely free of dust, scratches, or any other imperfections before proceeding. 5.Apply Coating: Pour a moderate amount of NANO CERAMIC COATING (Bottle B) onto the provided applicator sponge or a soft cloth. Apply the product evenly to the surface using overlapping up-down and left-right motions. IMPORTANT: To prevent permanent streaks, ensure an even application. NEVER POUR THE COATING DIRECTLY ONTO THE CAR. Work on one small section at a time (approx. 50x50 cm), completing it fully before moving to the adjacent area. Avoid large-area application. 6.Curing Time Guide: The working and curing times for the NANO CERAMI COATING vary with temperature. Please refer to the chart below (for reference only):

Temperature	*<10°C*	*10-15°C*	*15-20°C*	*20-25°C*	*>25°C*
Solidify time(minutes)	*15*	*10*	*5*	*3-5*	*1-3*
Operating time(minutes)	*10-15*	*5-10*	*3-5*	*2-3*	*1*

7.Finalize & Protect: After applying the coating to the entire car, let the film dry for 1 hour. Then, spray the POLISHING PROTECTANT (Bottle C) evenly onto the dry coating and polish to a high shine. 8.Final Inspection: Conduct a final visual check of the entire coated surface to identify and correct any uneven or faulty areas. 9.Post-Application Care: Allow the coating to crystallize completely for at least 2 hours for optimal results. The car can be moved after this time. However, do not wash the car or expose it to water for 3 days. If it comes into contact with water, dry the surface immediately. Flamingo Recommendation: For maintained protection, apply the POLISHING PROTECTANT (Bottle C) again after 3 months.

Flamingo Car Care Tech. Co.,Ltd., your reliable partner !
We're looking forward to building long-term business relationships with you !
Now worldwide distributors wanted !!!

1

CONSISTENT QUALITY

A. More than 17 years car care products exporting experience
B. No.1 in velocity of development in this field
C. All products engineered in USA
D. Strict quality control system has been built based on cooperating with US market more than 10 years

2

INNOVATION

A. Professional R&D team
B. Innovation is our core culture
C. Your new idea can be embraced any time

3

COMPETITIVE PRICE

A. Good sense of controlling cost
B. Long-term partner relationships with our suppliers

4

ON TIME DELIVERY

A. Full experience in handling export trade
B. Delivery date is confirmed by ERP system, which includes every relevant department on production capacity and quality control

5

SERVICE

A. Offer customize service
B. "Customers first" is our service tenet
C. A good listener to your requirement
D. Instant response
